MEMORANDUM FOR: Director, BPAM

VIA : Executive Director - Comptroller

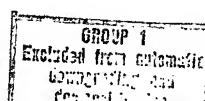

25X1A

X1 I was struck, not favorably, during [redacted]
briefing of the Planning Group when he mentioned the fact that
[redacted] total expenditures of the NE Division are
"overhead." I think this is a most unfortunate phrase; I said
so at the time and commented that I would use the phrase,
"operational base." I realize that "operational base" is subject
to misinterpretation but, on the other hand, it is a phrase which
describes the personnel, real estate, equipment and services
that are required as a minimum for any type of operations
whether it be clandestine collection, covert action, paramilitary
or close support. I would urge that we try to improve our
semantics in this regard as I think the term "overhead" will
come back to haunt you.
